59 C. R. HUNT, Chairman Republican JAS DUMARS, Chairman Republican Central Committee, Malioning County.

Governor of this State, Hon. Wm. Democratic, full-blooded, pro-slavery Dep- and both are benumbed and stupid. Clerks on Saratoga Springs and resulted in fixing the political topics of the day, before the uty Secretary of State of South Carolina— who serve their employers faithfully, for upon that place the first Tuesday in Aupeople of this Sate, at the following times the Mr. Huntt who so aristocratically spells twelve or thirteen hours each day, deserve gust, 1860. and places, viz: At Tiffin, on Tuesday, September 6th,

Massachusetts and South Carolina Naturalization Laws.

The Reporter misrepresents when it says the "same disability exists" in South Car. nor for ten years. See Constitution of olina that exists in Massachusetts. The Reporter, in the unfair spirit of the resoletten of the Republican State Platform, seeks to convey the idea that foreigners are put under a ban in South Carolina, that is mosed upon them because of their foreign Such is not the truth. The stat between the foreign born and the native law imposes its burdens and hindrances exclusively upon the foreigner. There is no ublic record so actorious, and easy of acess as the laws of a State. The only law adopted since the year 1810, is that passed State Constitution, which was subsequently ratified and became a part thereof, and which we here insert in full: No 4296 Ax Acr to amend the Pourth Sec.

tio of the First Article of the Constitution of

& I. Be it cancted by the Senate and Hous of Representatives, new met and sitting in General Assembly, and by the authority of the same, The basis of Representation as fixed, is one delegate for each township in the country, and one additional for each forty votes East at the last Gubernatorial election, or fore such election, or, not having such a freehold or town lot, both been a resident in the election fraction of twenty or over; this will give district in which be offers to give his vote, six are the qualifications required, before per- last and be sound two or three years. right to vote for a member or members, to serve in either branch of the Legislature for the Election

The above is extracted from an article so much love for the foreigners.

The law of Massachusetts, complained racy! of, is as fellows:

No region of foreign birth shall be entitled to their usual places of holding elections, on vote, or shall be eligible to office, unless he shall be trivially evening. August 20th, at 7 have resided within the jurisdiction of the Unidelegates to the county convention. It is undication, and shall be otherwise qualified as o'clock. P. M., for the purpose of electing ted States, for two years subsequent to his natcording to the constitution and laws of this Con-monwealth; Provided, That this amendment mars meetings, delegates be elegated to attend shall not affect the rights of any child of a citi-Senatorial Convention to be held at zen of the United States, born during the tem-

The Democracy of Ohio, at their last ly denouncing this law of Massachusetts ZALMON FITCH, Republican but had not a word to say respecting that Republican Senatorial Convention.

Republican Senatorial Distavery can carry that State without the principal of the counties of Trumball help of naturalized voters; the three-fifth that the Fair would not attract the attential to the wood settled here in August, throwed together a deed is a quarter of a million, and Rutger Bleecher Miller, Jr., is the man named as log cabin, and being six or eight young upon the part of the growers, who, looking upon the Fair as an experiment, were, on the start, a little timid, fearful, perhaps, that the Fair would not attract the attential that fall; and cut much more timber in the family.

Heavy Oars—Mr. John C. Lee of this

ate for Member of State Boned of Equalistate for Member of State Boned of Equalistation.

The basis of representation fixed for the

With other stalks from the same root, this would indicate a yield of 400 to 500 fold.

— Ashtubula Sentinel. The basis of representation fixed for the last Senatorial was as follows: Each township in the district to have one delegate and one additional for each 100 votes cast senatorial was as follows: Each township in the district to have one delegate and one additional for each 100 votes cast senatorial was as follows: Each township in the district to have one delegate and one additional for each 100 votes cast senatorial was as follows: Each township in the district to have one delegate and one additional for each 100 votes cast senatorial was as follows: Each township in the district to have one delegate and one additional for each 100 votes cast senatorial was as follows: Each township in the district to have one delegate and one additional for each 100 votes cast senatorial was as follows: Each township in the district to have one delegate and one additional for each 100 votes cast senatorial was as follows: Each township in the district to have one delegate and one additional for each 100 votes cast senatorial was as follows: Each township in the district to have one delegate and one additional for each 100 votes cast senatorial was as follows: Each township in the district to have one delegate following instance: When the Democratic buyers for all the wool, and at good prices.

We suppose the sales reached \$250,000 and in August, forty-five years since, make a tolerable fence yet." at the last Gubernatorial election, or frac- from voting in South Carolina, even for most part, was raised within a circuit of A ship carpenter writing to the Com. terfeiting, &c., has been arrested for negmembers of the Legislature, for two years after residence in the State, and that this fact was opening the eyes of foreign born citizens, they reserted the the degree of the country and that this country is an opening the eyes of foreign born citizens, they reserted the the degree of the sound about us.

Win. R. Huntt, to the editor of the Germania, Cleveland, O., denying that any such constitutional provision existed in that such constitutional provision existed in that State. This letter is now going the rounds

Every thing was conducted, so lar as we all timber that you wish to last, from the could see, upon honorable, high-minded business ground. Unfortunately, sickness stick three feet in diameter will season blimself. State. This letter is now going the rounds of the democratic papers at the North; but the sale, but Mr. Burr discharged that the sale, but Mr. Burr discharged that the sale, but Mr. Burr discharged that the sale that the sale

courtesy suggested that we should not attack or deride it until Mr. Huntt was heard from. We, therefore, gave it the benefit of our circulation, which, by favor of the town Register.
